SPRAY & STAY GREASE

NO DRIP AND NO MESS

Hot Shot's Secret SPRAY & STAY GREASE is an aerosolized synthetic grease for use in day to day applications that sprays on thick and will not run or drip. Provides long-lasting lubrication and protection for moving machinery, parts and surfaces.

Formulated with anti-rust components to protect against moisture, corrosion, rust and other types of distress and wear. It is resistant to water washout and will not dry out, gum on equipment, separate or bleed.

USES

For general use, including but not limited to: home, automotive, industrial, marine and other mechanical applications. Safe for use on metal, paint, rubber and plastic. Applications include:

Garage doors	Cables
Bearings	Sliding doors
Engine assembly	Gears
Door hinges & locks	Winches
Garden & shop tools	

DIRECTIONS

Shake thoroughly before each use. Insert straw and tap securely in place. Hold 8-12 inches away from surface and apply evenly.
